TERMS & CONDITIONS

CosmoBlock Terms and Conditions

Thank you for choosing CosmoBlock. As you embark on this cosmic journey into the fusion of space exploration and blockchain technology, we invite you to carefully read and understand the terms and conditions presented below. They are the guiding principles and contractual obligations that will shape our mutual interactions on this platform.

Agreement to Terms

Engaging with our platform in any capacity implies that you've thoroughly perused, comprehended, and are in complete agreement with these terms.

If you find yourself disagreeing with any portion of these terms, your recourse would be to abstain from using our services.

Periodic Alterations to the Terms

In our pursuit to provide an evolving and optimally beneficial platform, CosmoBlock retains the unreserved right to adapt, modify, or replace these terms when deemed necessary. Should any alterations be made, they will be immediately reflective on our platform. Your continued engagement post these modifications signifies your acquiescence to the updated terms.

User Registration Protocols

Access to specific, exclusive features of our platform might necessitate account registration. During this process, it's imperative that all details furnished remain precise, exhaustive, and current. Should there be any metamorphosis in this information, it's your responsibility to update the same promptly.

Privacy Considerations

Parallel to these terms, your interaction with CosmoBlock is also overseen by our detailed Privacy Policy, delineating the manner in which we manage and protect your personal data.

Account Termination Guidelines

Should any discrepancy or inauthenticity be detected in the information you've provided, CosmoBlock assumes the authoritative right to either suspend or terminate your account and your consequent accessibility to the platform.

Code of Conduct Within the Platform

All users are entrusted with the responsibility to behave in a manner that's respectful and refrains from any activities that might inflict harm, exploit others, or jeopardize the platform's integrity. Any digression from this code will result in decisive actions, including but not limited to, account suspension or termination.

Intellectual Property Safeguards

Every element that constitutes the CosmoBlock platform — be it text, visuals, logos, or software — is under the proprietary ownership of CosmoBlock and enjoys protection under copyright legislations. Any unauthorized replication, redistribution, or derivative creations stemming from CosmoBlock's content is strictly prohibited, barring explicit written sanctions from our side.

Limitation of Liability and User Recourse

Neither CosmoBlock nor its associative entities – directors, employees, partners, agents, suppliers, or affiliates – can be held accountable for any indirect, consequential losses or damages that users might incur, directly or indirectly, owing to their usage of the platform or any services procured therein.

Governing Law and Jurisdictional Relevance

The terms and conditions, in their entirety, are crafted in alignment with, and governed by, the International law committee. Any conflicts or disputes arising from these terms shall be adjudicated exclusively within the jurisdictional purview.

Third-party Websites and External Interactions

The CosmoBlock platform may host or redirect to third-party websites or services. These external entities are beyond our direct control, and thus, CosmoBlock holds no liability for their content, operational policies, or practices.

Dispute Resolution Mechanism

For a structured resolution of any disagreements that might surface out of or in correlation to these terms, the preferred method is arbitration.

Severability Clause

In the unforeseen eventuality of any of these terms being deemed non-enforceable or invalid by competent authorities, the affected clause will be suitably modified or eliminated. This, however, will not impact the enforceability and validity of the remaining terms.

Comprehensive Agreement

The entirety of this agreement, inclusive of these terms and any operating stipulations for CosmoBlock, represents the complete understanding between the user and CosmoBlock regarding platform usage, superseding any prior oral or written communications.

Your association with CosmoBlock is a testament to your acknowledgment and acceptance of all terms and conditions delineated above.

Note: Again, it's crucial to involve legal counsel to ensure these terms align with CosmoBlock's specific nuances and operations.
